

Sustainable Environmental Solutions – Always!

ENVIRONMENTAL CONSULTANCY & ENGINEERING SERVICES UNDER ONE ROOF

- 💧 Turnkey Execution of Water / Waste Water Treatment Plants (with CIVIL, O&M & ZLD)
- 💧 'Circular Economy' Solutions - Wealth out of Waste
- 💧 Environmental Compliances - are our commitment (AVOID PENALTIES)
- 💧 Services, Spares & Chemicals - Running Plants Economically

MPCB CERTIFIED

TURNKEY EXECUTION OF WATER / WASTE WATER TREATMENT PLANTS (WITH CIVIL, O&M & ZLD)

OUR PURPOSE:

- "One stop-shop" service provider from Designing to Commissioning to O&M of Water/Waste water treatment plants, UF, RO, ZLD Systems at extremely competitive prices
- Contrary to other service providers, we offer **CIVIL Services** also, for hassle free and timely execution

ALL UNDER "ONE-ROOF" COVERING:

COMPLETE ZERO LIQUID DISCHARGE (ZLD) SOLUTION

- Effluent Treatment Plant
- Dissolved Air Flootation (DAF)
- Lamella Clarifier (IPS)
- Pipe Flocculator
- Oil Skimmer
- Effluent based Ultra Filtration (UF)
- Reverse Osmosis (RO)
- Nano Filtration
- Multiple Effect Evaporator (MEE)
- Agitated Thin Film Dryer (ATFD)

WATER TREATMENT PLANT

- Softner
- Iron Removal Filter
- DM Plant
- RO
- Degasser
- Electro De-Ionization (EDI)
- Sea Water Desalination
- Disinfection System
- Rain Water Harvesting
- Filtration: Sand Filter, Carbon Filter, Micron Filter
- Mixed Bed Rechargeable / Non - Rechargeable

ETP / STP PLANT (BOTH - PACKAGED AND CIVIL)

AIR POLLUTION CONTROL EQUIPMENTS

SERVICES, SPARES & CHEMICALS

- Membranes and Accessories (DTRO and Spiral Wound)
- Filtration Media
- Micron Cartridges
- Bag Filters
- Resins
- MBBR Media
- Tube – Settler Media
- Fine / Coarse Bubble Diffuser
- Filter Press / Centrifuge / Screw Press
- Air Blower With Acoustic Hood
- Dosing Systems
- UV Systems
- Antiscalant
- RO Cleaning Chemicals
- SMBS
- Syntech-209 (COD Reducing Agent / Coagulant)
- Hypochlorite, Defoamer
- DAP, Urea, Jaggery
- Bio-culture
- Poly Electrolyte
- Decoloring Agent
- Cooling Tower Chemicals
- Boiler Chemicals

After Sales Service

'CIRCULAR ECONOMY' SOLUTIONS

OUR PURPOSE:

- Our model is based on “**You Save-We Earn**” approach; where we find potential buyers for your by-products / waste and turn your current disposal cost into a revenue generating opportunity.

OUR OFFERINGS:

Hazardous Waste management system – by partnering only with authorized vendors and re-cyclers

- Spent Solvents
- Paint Sludge
- Evaporation Residues
- Contaminated Empty Drums
- Expired Chemicals
- High Strength Stream
- Spent Carbon
- Discarded Drums
- Process Residues
- Waste Oil / Used Oil
- E-Waste Recycling
- Metal Sludge ... & many more

SALES PARTNER

We also partner to sell your products and procurement of raw materials on effective rate

- Extended sales force
- Wide Network of Manufacturers
- Large Buyer / Seller of Network of Spent Chemicals

ENVIRONMENTAL COMPLIANCES

OUR PURPOSE:

- Practical application to regulatory requirements at low cost and competitive prices

OUR OFFERINGS:

POLLUTION CONTROL BOARD LICENSES

- Environmental Clearance
- Pollution Control Board Consents
- Product Mix Licenses
- Hazardous Waste Import Licenses
- Hazardous Waste SOP
- Carbon Credit (CDM)
- Environmental and Hazardous Return Filling
- BMW Registration
- No Pollution Load Certificate
- Authorization
- Corporate Social Responsibility (CSR)
- Environmental Social Government Audit
- Scrap Authorization

EPR AUTHORIZATION / COMPLIANCES / CREDITS

PLASTIC

E-WASTE

OIL

TYRE

BATTERY

CENTRAL GROUND WATER BOARD AUTHORITY

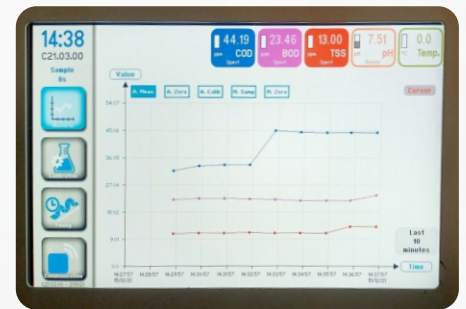

- CGWA NOC, Electromagnetic Flow Meter Supply and Installation
- Piezometer Supply and Installation
- Water Audit

ENVIRONMENTAL MONITORING (NABL APPROVED)

ONLINE EFFLUENT/ AIR CONTINUOUS MONITORING SYSTEM

DIRECTOR INDUSTRIAL SAFETY AND HEALTH (DISH)

- Factory Licenses
- Safety Audit
- Pressure Vessel Testing
- Onsite and Offsite Emergency Plan
- Hygiene / Illumination / Ventilation Survey
